SUBJ: REPLACEMENT/REPROGRAMMING/RELOCATION OF FOREIGN
NATIONALS AT U.S. EMBASSIES

I would like to convene a meeting of interested parties at 11:00 am on Thursday, June 16, 1988 in room 7207 (conference room) to discuss this subject. Specifically, I would like to achieve agreement on a draft interagency policy (Enclosures A and B) delineating a world wide approach to the matter of replacement/reprogramming/relocation of foreign nationals and the establishment of core chanceries at U.S. missions overseas.

In addition, the Department of State has drafted a report to the Congress as specified by Public Law 100-204 detailing the current and projected status of employment of foreign nationals at U.S. embassies and consulates. The clearance of this draft report (Enclosure C) by your agency or office prior to or at this meeting would be appreciated.

If you or your designated representative have questions or suggestions regarding this subject, Joe Hulings of my office can be reached on ext. 70187.
